

Student Nutrition Services Renovations (Org. Code 937)

Schedule Summary

Cost Summary

Contract Budget Design Target: \$500,000.00

Status Summary

1. On September 3, 2014 MISD introduced an existing purchased church facility for renovation to a Student Nutrition Services accommodation.
2. The A/E undertook several renovation layouts from September 24, 2014 to November 4, 2014. A finished schematic for an approximate cost of \$500,000 construction was charged to the A/E for design development.
3. The completed design for the construction target price is planned for presentation to the Board for Approval in January 2015 prior to its bid development.
